Our 2021 Objectives:

H&S

- Make documentation more accessible to all staff including those required to work remotely
- Frequently monitor H&S performance
- Zero Fatalities, RIDDOR reportable incidents and lost time incidents
- Encourage increased reporting of minor incidents and near misses
- Achieve RoSPA Award again plus SafeContractor and CHAS

Environment

- Provide customers with energy efficient machinery solutions to aid in reducing their carbon footprint
- Reduce paper usage by digitalising documentation
- Reduce plastic use e.g. by encouraging the use of reusable water bottles
- Ensure waste is recycled wherever possible
- Work with suppliers who are carbon conscious and uphold our same high values and standards
- Reduce the use of water, gas and electric where possible

Health and Safety Policy	

1.0 GENERAL STATEMENT OF POLICY

Blue Machinery (Central) Ltd acknowledges and accepts their moral, financial and legal (Health & Safety at Work etc. Act 1974, and other relevant legislation) responsibilities with regards to fire, safety health & welfare. The aim of the Company is to safeguard their employees and anyone who may be affected by the activities.

We are committed to maintaining and improving our safety management by means of periodic reviews and by monitoring its effectiveness through the use of safety objectives and targets.

It is the policy of Blue Machinery (Central) Ltd to:

- Identify and comply with all applicable legislation and statutory controls.
- Allocate sufficient resources to enable the Health and Safety Policy to function effectively.
- Monitor and continually improve Health and Safety management and performance.
- Promote a culture aimed at achieving and maintaining the highest standards of Health and Safety.
- Adopt best practice and learning from all sources where it will lead to a sustained overall improvement in safety performance.
- Review operational performance at regular management meetings using appropriate measures, including leading and lagging indicators, accident and investigation analysis reports and inspection information.

The directors and senior managers of Blue Machinery (Central) Ltd will ensure through positive leadership, active participation and encouragement that employees are motivated toward the aims of this policy.

This Health and Safety Policy will be communicated to all employees and will be made available to the public and other interested parties.

Environmental Policy

GENERAL STATEMENT OF POLICY

Blue Machinery (Central) Ltd recognise the potential impact of our operational activities have on the environment. Through this Environmental Policy we are committed to reducing the environmental impact of our operations, as far as reasonably practicable.

Blue Machinery (Central) Ltd is fully committed to achieving the following environmental objectives:

- Ensuring that the relevant needs and expectations of interested parties are considered and met if deemed to be compliance obligations.
- Identify and meet or exceed all applicable legislative and regulatory requirements.
- Preventing pollution by appropriate management of our operational activities.
- Minimising the amount of waste generated by our operational activities and optimising practical recycling and waste activities.
- Reducing emissions to air.
- Minimising the impact of our operations on local ecology and communities.
- Implementing responsible sourcing to reduce consumption of materials and energy.
- Report and audit our environmental performance as a means to improve accountability and to drive continual improvement.
- Ensure that all employees and other stakeholders are made aware of their individual responsibilities by effective communication.
- Maintain a high level of awareness of sustainability issues amongst our employees and integrate environmental management into training.
- Ensure that goods and services are procured in a sustainable manner and encourage our suppliers and contractors to improve their own environmental performance.

The directors and senior managers of Blue Machinery (Central) Ltd will ensure through positive leadership, active participation and encouragement that employees are motivated toward the aims of this policy.

This Environmental Policy will be communicated to all employees and will be made available to the public and other interested parties.

Quality Policy

Quality Management System
Document Reference: QA-PO-QA-001
Quality Policy Statement

1. GENERAL STATEMENT OF POLICY

It is Blue Machinery (Central) Ltd's policy to fully understand the stated requirements of each customer through application of appropriate quality control measures to ensure that these are fully realised.

We are committed to maintaining and improving our quality management by means of periodic reviews and by monitoring its effectiveness through the use of quality objectives.

It is the policy of Blue Machinery (Central) Ltd to:

- Comply with specifications, customer requirements and industry recognised guidelines.
- Ensure that the works are carried out in a controlled and co-ordinated manner.
- Review operational and quality related processes through regular management meetings to ensure their purpose is achieved.
- Allocate sufficient resources to enable the Quality Policy to function effectively and ensure Human Resources within the organisation are properly identified, managed and developed.
- Seek to continually improve its quality performance and systems through monitoring, audit and review and through objective setting and targets.
- Adopt best practice and learning from all sources where it will lead to a sustained overall improvement in quality performance.
- Seek feedback on performance from stakeholders, including our customers, sub-contractors and employees.
- Promote quality as a management operative, communicating with the workforce through the implementation of the HSE and Q policies, to ensure employees are adequately informed of updates within the organisation in addition to communication through meetings, literature and site visits.
- Stimulate a commitment amongst all employees to provide the service delivery and workmanship required by our customers.

The directors and senior managers of Blue Machinery (Central) Ltd will ensure through positive leadership, active participation and encouragement that employees are motivated toward the aims of this policy.

This Quality Policy will be communicated to all employees and will be made available to the public and other interested parties.
